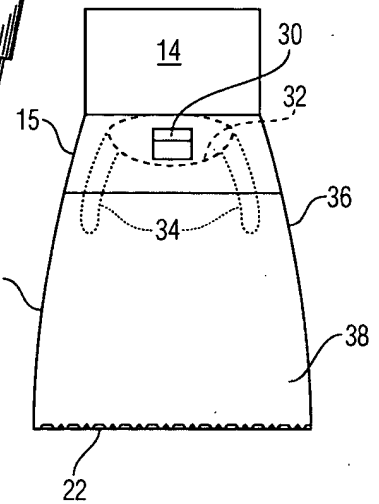

Fig. 5A shows a person in a space suit (10) seated on a training device (20). The device includes a seat (14) with a backrest (12) and a footrest (16). The person's legs are extended forward, and their feet are positioned on the footrest (16). The device is mounted on a base (22). Fig. 5B is a cross-sectional view of the seat (14) and backrest (12) assembly, showing internal components (36, 38, 40, 42, 44) and the base (22).
